7. Things I liked best about the presentation:

The scope of the information / knowledge
Understanding the medicine wheel

Loved the design and visuals

Stories

Broadened my understanding, helped provide understandable reasons for cultural development

Interesting ... good resources

Personal knowledge and experiences

Explanations on white and Indian beliefs and traditions

Curriculum development IEA

Analogies

8. Things that could be improved:

More time to cover more material

More cultural differences, food, relationships

Handout of the slides ... literature list

More focused at times

9. Suggestions for future workshops:

10. Pinpoint different curricular areas for crossover cultural learning
